

The Leopard 48

Newest Addition to the Offshore Sailing School Fleet Arriving March 1, 2016

The award-winning Leopard 48 is one of the most popular cruising yachts in The Moorings fleet, where it is known as the Moorings 4800.

Steve and Doris Colgate recently cruised with friends on a Leopard 48 in the British Virgin Islands, saying it was “one of the best times we’ve ever had under sail.”

Sail handling is easy, there’s tons of space to relax, cooking in the galley or on the BBQ and dining in or out was so comfortable, and there is even space to exercise,” says Doris.

Learn to Cruise in Style

The Offshore Sailing School Leopard 48, newest addition to our growing fleet, provides a perfect platform to learn all you need know to handle a big, spacious cruising catamaran.

Pure Comfort Throughout

The raised helm station, provides excellent visibility, with ample seating and sail controls that lead back to the steering station.

The Leopard 48 has a forward cockpit with direct access from the saloon and a stairway to the forward platform. Aft is a large, open aft cockpit with a table that seats eight.

The galley has a large freezer and fridge, stove, and ample counter space. With three spacious cabins, three private bathrooms with showers, separate quarters for your instructor, large airy main saloon and galley, and open floor plan, this boat provides not only excellent catamaran performance, but very comfortable living spaces in and out.

Dedicated Instructors

Based at the Pink Shell Beach Resort Marina on Ft. Myers Beach, FL you enjoy quick access to exciting sailing in the Gulf of Mexico. Offshore Sailing School's expert cruising instructors teach no more than four students each week, allowing for close personalized instruction.

2013 Multihull of the Year

Cruising World Magazine chose the Leopard 48 as its multihull of the year in 2013, the year it debuted. "I have not sailed a cat like this before which so effortlessly picks up very light air and turns it into solid boat speed . . . and the boat behaves very well in bigger conditions too," wrote Kenneth Hoiem, delivery skipper.
